Local Announcements

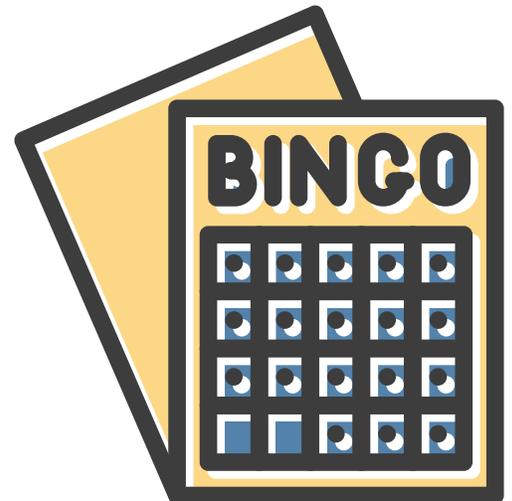

City of Stonewood

On Sunday December 14th, 2025, starting at 12:00 PM, Santa and the Stonewood Volunteer Fire Department will be riding around greeting residents and collecting non-perishable food items for their yearly food drive. Please have your items ready and be on the look out for Santa as they ride throughout the neighborhood fighting hunger and spreading christmas cheer. If you have any questions regarding the food drive or what items are able to be collected, please contact the fire department at (304) 622-1199.

Stonewood Volunteer Fire Department will host a designer purse bingo on Sunday, December 7th, 2025 at the Stonewood Fire Department. **ONLY 200 TICKETS AVAILABLE!** Presale tickets are \$25.00 and \$30.00 at the door. Please visit our website at www.stonewoodfirefightersfestival.com to purchase tickets or reach out to one of your local volunteer firefighters!

We would like to thank Council Member Jim Nutter for his donation of the Norwood sign, from the recently closed school. This sign is now proudly affixed in council chambers if you would like to stop down and view it.

Stonewood Sewer Project

City of Stonewood

Stonewood Sewer System Enhancement Project is underway!

Over the last several months, we have seen significant progress on the ongoing sewer system project throughout the City and are pleased to share that it is nearing completion! With nearly 2 miles of sewer line installed, 61 new manholes, and roughly a mile and a half of roadway paving, this undertaking has done wonders to improve our sanitary sewer system.

A few details are still being worked through, with final completion anticipated near the end of the year. In the meantime, the City's team will be monitoring restoration work, such as reseeded and mulching of grassy areas that were impacted by construction.

Any areas that don't see adequate growth will be addressed in the springtime.

Additionally, the last remaining lengths of sewer line will be lined along Cost Avenue, from Grasselli Street to just past Cottonwood Lane. Residents in this area should keep an eye out for further communication – the City may need your assistance in limiting water usage during this work. Mr. Jimmy Paugh, a member of the Stonewood Sanitary Board, will reach out to impacted residents when this work is scheduled.

We appreciate your patience throughout every piece of this project! We are proud to see it coming to a successful end. It has reduced harmful inflow and infiltration, replaced sections of failing sewer line, and reduced the chance of customer backups.

Mayor's Report

Effective November 18th, 2025, Chapter 8, Article V, Vacant Structures Ordinance took effect. This ordinance was recommended by the Fire and Police Chief and will require all abandoned structures of any kind to register with the City. Permit fees will be required after the first 12 months of abandonment. If you would like to review the ordinance, you can stop in city hall and request a copy or visit our ordinance section of our website at www.cityofstonewood.com.

Address Issues Affecting Departments

On February 16th, 2021 Chapter 8, Section 21, Street Address Numbers Ordinance went into effect. The implementation of Chapter 8, Section 21, Street Address Numbers Ordinance on February 16th, 2021, underscores the necessity for clear and visible address numbers on residences. This ordinance mandates that all address numbers be prominently displayed and at least four inches in height, made of durable material, and positioned in a way that ensures they are legible from the street. This requirement is critical not only for efficiency in city operations like public works but is vital for emergency services such as police and fire departments, where quick location identification can be life-saving. If a residence's entrance is more than 50 feet from the street, the numbers must be placed where they are clearly visible from the street, both day and night. Compliance is mandatory, and the city will issue notices to non-compliant residents, who must take corrective measures within 30 days. Failure to do so will result in a \$25 fine, with each day of continued noncompliance constituting a separate offense. This ordinance aims to enhance the efficiency and safety of city services by ensuring that all residences are easily identifiable.

Community Acknowledgements

City of Stonewood

United Hospital Center has launched a new quarterly recognition known as the Presidential Award. One of our very own, long time residents, Dianna “DR” Romano, dietary assistant, was one of two people to be presented this inaugural award and personally presented with a commemorative gold coin, a certificate, and a monetary award by UHC President and CEO, David F.

We wanted to take a moment to recognize one of our younger residents of the community. Cadence is a Junior member of the Stonewood Volunteer Fire Department where she is very active in training courses to become a firefighter as well as volunteering to help with different events hosted by the fire department along side her twin sister, Carigan. Her father, Tony Hayes, and stepmom, Chelsea are also members of the Stonewood VFD. In following her parents footsteps as paramedics, Cadence will be attending paramedic school when she graduates high school in 2026. Congrats on being recognized as “UTC Student of Semester” for Fall 2025. When she is not working hard to serve her community, Cadence is also a member of the Bridgeport High School Band’s Frontline.

Veteran's Memorial Committee

The committee tasked with developing a Veterans Memorial for Stonewood held its first meeting on 11/12/2025. I was honored to join Mayor Jim Terango, Larry Snider, Bruno Martinez, Jim Camarda, and Richie Dye as the group began shaping a vision for a memorial that will stand as a place of honor, reflection, and community pride. There was a deep sense of excitement in the room as the committee discussed ways to create a meaningful and enduring tribute to the military veterans and first responders who have faithfully served our nation and protected our community. As the project moves forward, the committee will be seeking funding through grants, private donations, and community-driven fundraisers. Together, we look forward to building a memorial that reflects Stonewood's gratitude and becomes a landmark for generations to come. All future meetings will be announced and open to the public.

OPENING

Kings Hands Boxing Club

Kings Hands Boxing Club has opened in Stonewood (8382 Water Street), offering boxing classes for both kids and adults twice a week. Gym owner Ronnie Hall emphasizes that the club is more than just about boxing; it's a community space where Hall shares his faith and aims to change lives positively. After overcoming personal struggles, Hall uses boxing as a tool for outreach and personal transformation. Stonewood's mayor welcomed the gym to the community, which also supports a food drive to assist those in need.

Pastor's Corner

December has long been a month set aside to celebrate the birth of the Savior, Jesus Christ. A month associated with generosity and giving because of God's generosity to the world when He gave us His Son. John 3:16 "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." God saw mankind's need for a Savior and met that need by sending His own Son.

It is often said, "that imitation is the sincerest form of flattery." This December let us "imitate" our Creator by observing those in need and seeking to be generous and giving by helping to meet those needs. No one can help everyone, but everyone can help someone this holiday season!
